

4100A Modular Conveyor

PRODUCT NAME
Modular Conveyor

MODEL NUMBER
4100A

CATEGORY
Conveyors

PRODUCT OVERVIEW

Modular conveyors in 10" and 15" belt widths move pots, flats and material between machines. Combine multiple sections to span distance, and choose plug-in head stands, tripod stands or adjustable height stands to match your line.

KEY FEATURES

- Aluminum slider bed construction is standard
- Manual motor starter switch & self-cleaning tail pulley
- Combine multiple conveyors for transporting material long distances
- Mobility options, including casters, pneumatic, or semi-pneumatic wheels are available
- Stand options include adjustable or fixed height stands

APPLICATION

Greenhouse and nursery conveyors are an excellent solution for automating laborious tasks such as transportation and plant shifting. These machines can help you reduce labor costs and production times, making them perfect for your greenhouse needs.
