

4316A Trough Soil Conveyor

PRODUCT NAME

Trough Soil Conveyor

MODEL NUMBER

4316A

CATEGORY

Conveyors

PRODUCT OVERVIEW

A 16" trough belt conveyor for bulk soil, made to order in the length your line needs. Lagged head pulley and load skirts are standard; cleated belt, dust covers, load hopper and discharge hood are available.

KEY FEATURES

- Slider bed construction is standard, with roller bed optional
- Manual motor starter switch & self-cleaning tail pulley
- Combine multiple conveyors for transporting soil long distances
- Mobility options, including casters, pneumatic, or semi-pneumatic wheels are available
- Stand options include adjustable or fixed height stands

APPLICATION

Greenhouse and nursery conveyors are an excellent solution for automating laborious tasks such as transportation and plant shifting. These machines can help you reduce labor costs and production times, making them perfect for your greenhouse needs.
